

OUR MISSION...

"To prevent and treat substance use disorders and mental illness. Our goal is to help individuals and families achieve personal change and improve their quality of life."

TREATMENT SERVICES

High Point offers:

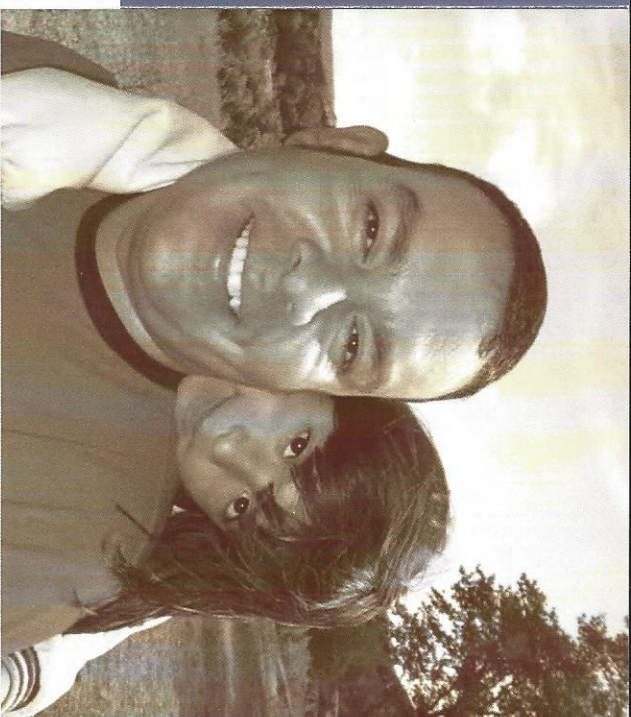

- substance use disorder, mental health, and gambling disorder services through its all-inclusive continuum of care in Southeastern and Southeast Massachusetts.

- a spectrum of comprehensive services for children, adolescents, and adults based on their identified needs, including diagnostic assessments; individual, group, and family counseling; a Structured Outpatient Addiction Treatment Program, (SOAP); psychiatric evaluations, medication management, and Medication Assisted Treatment (MAT).

- the Adolescent Community Reinforcement Approach, (A-CRA), a community-based substance use disorder treatment program for individuals age 16-25.

- domestic violence services with supportive, free, and confidential services for survivors.

- educational services for individuals who have engaged in physical and/or emotional abusive behavior towards their partner/family.

Educational services are also available for individuals mandated to attend drug and/or alcohol education programming as a result of driving while impaired.

OUR TEAM OF PROFESSIONALS

Empathetic care and treatment are provided by an interdisciplinary team of professionals, including psychiatrists, nurse practitioners, psychologists, licensed social workers, Master's level mental health clinicians, and licensed alcohol and drug counselors.

REFERRALS AND FEES

We accept referrals from state agencies, in addition to other health and human service providers, as well as self-referrals.

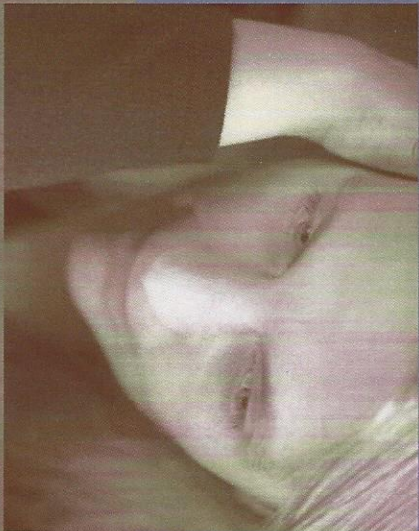

To obtain information regarding appointments, please call the clinic listed, or connect to our centralized admissions department by calling 774-213-8435.

High Point accepts most insurance plans and offers a reduced fee/sliding scale to patients who qualify.
